

JIM CLICK & HOLMES TUTTLE

Collision Centers

We hope you never have an accident, but if you do...

Our conveniently located collision centers can help get you back in the driver's seat using state-of-the-art equipment and repair techniques that will return your vehicle to pre-accident condition. With the complex safety and engineering designs used by all automotive manufacturers today, you can have confidence that your vehicle will be repaired by industry certified professionals using quality parts, and completed in a timely manner.

Your rights as a consumer are protected and state you may choose the collision repair facility of your choice. Although your insurance company may recommend a repair facility for a variety of stated reasons, know that you have the final say. Request your vehicle be repaired at one of our convenient locations, we promise you won't be disappointed!

We work with all insurance companies on All Makes and Models.

GONE GREEN! GONE GREEN! GONE GREEN! GONE GREEN!

We are proud to protect our environment through the use of PPG's Envirobase High Performance waterborne basecoat refinishing product, significantly reducing the emission of volatile organic compounds (VOC's) into the atmosphere by up to 80%.

Any car accident – major or minor – is a stressful experience. We're here to guide you through it. Detailed checklist on the reverse side of this letter to record accident information

ALL MAKES • ALL MODELS

Thinking clearly immediately following an accident can be difficult. Follow the checklists below for help with the important things you need to do and know.

- Obtain the names, addresses and phone numbers of the other drivers, passengers and witnesses.
- Notify the police and have a report filed.
- Exchange vehicle insurance information.
- Notify your insurance company immediately.
- Review your insurance policy and make a list of questions (examples: policy deductible, rental coverage).
- You have the right to select the collision repair facility of your choice.
